Sir,

Sub: Allowances - Special Pay for staff employed in the District Livestock Farm, Koila - Enhancement.

...

I submit herewith a copy of letter Roc.No.86/50 dated 26.7.51 from the Superintendent, District Livestock Farm, South Kanara for the enhancement of the Special Pay for the staff employed in the District Livestock Farm, South Kanara. Sanction of 10% of pay to each member of the staff of the farm was accorded in G.O.No.693 Development dated 14.2.51 for a period of one year or until quarters are built whichever is earlier.

2. In view of the difficulties explained by the Superintendent in his letter cited above, I recommend that Government may be pleased to sanction an enhancement of 25% of the Special Pay as against 50% requested for by the Superintendent as a special case.

Yours faithfully,

for Director of Animal Husbandry,
Madras.

Sub: Allowances - Special pay for staff employed in the Dt. Livestock Farm, Koila - Proposals for enhancement

Ref: G.O.Ms.693 Dev. dated 14.2.51 and endt. D.Dis.1592.V/50 d/21.2.51 of the Director of Animal Husbandry, Madras.
G.O.Ms.1998 Dev. (P&D) Dept. dated 1.5.51.

I submit that the Government was pleased to sanction 10% of pay subject to a minimum of Rs.3/- as special pay to the Staff working in the Dt. Livestock Farm, South Kanara for a period of one year or till the quarters are provided for whichever is earlier as per reference quoted above. In this connection I may be permitted to submit that the 10% additional pay sanctioned is inadequate and the time limit specified in the G.O. is not consonant with the hardships that the staff have to undergo both physically and economically on this farm which is situated in the forest area. I request that the Director may be pleased to address the Government to enhance the additional pay to 50%. The following are the main reasons which has prompted me to address the Director in this matter.

(1) The Farm Staff are forced to maintain two establishments one in the farm and the other in their native town as there are no Quarters here, and as there are no educational facilities for their children.

(2) The Farm is situated in the malanad part of South Kanara where there is continuous and heavy rains for a period of over 6 months in a year. Every member of the Staff is forced to invest every year a pretty big amount for the purchase of Umbrellas, Mackintosh, Boots and clothing all of which should be purchased not only every year and also in spares for each item referred above.

(3) This is a highly malarial area though it has not been declared as such by the Medical Authorities. There are no proper medical facilities in the farm and in time of emergency a large amount has to be spent if quick and efficient medical aid is required.

(4) The necessities of life particularly rice is not easily available here, the place being a derationed area and these are being purchased at exhorbitant prices locally.

(5) The farm work as it is requires continuous attention by the Staff both day and night and hence all the members are forced to remain in the farm itself.

(6) Most of the Staff are trying to get out from this farm and they are remaining here only due to my persuasion. The Store keeper who was working here before resigned his post as he found it very difficult to continue to service in this farm.

I request therefore the Director may be pleased to take necessary steps to enha allowance by 50% in the interest of efficiency and contentment among the staff.

H.E. the Governor of Madras does not see any justification for increasing the special pay sanctioned as ~~an exceptional or special~~ a special case to the members of the staff of the Livestock Farm, South Kanara, in G.O. Ms. No.693 Devt., dated 14th February, 1951.

Notes from p.1 above may be perused.

The case relates to the proposal of the D.A.H. that the special compensatory allowance sanctioned temporarily to the staff of the South Kanara District Livestock Farm in view of the housing shortage in the vicinity of the farm, may be increased from 10% to 25% of the pay. Both this Department and Finance consider that there is no case for an increase in the rate of the allowance which itself has been sanctioned as a very special case. The case may now be circulated for orders whether the Director's proposal will be rejected.
